

## Crystal Miller CMA

### Crystal Miller background information

Crystal Miller is a Seaford native, graduating from Seaford High School in 2001. She successfully completed the two-year medical assistant program at the Sussex Technical Adult Education Facility, and received her certificate in October, 2005.

During her course of study at Sussex Tech, Crystal attended and completed the American Academy of Otolaryngic Allergy Basic Course in Quebec City, Quebec, Canada in July, 2005.

Crystal has also become nationally certified and plans to continue her education to pursue an advanced degree in the medical field.
